PROFESSIONAL SUMMARY

A professional and entrepreneur with over 7 years of experience in Business Operations managing teams, handling HR administration, and supporting staff development across different work environments. I have hired, trained, and managed employees, maintained personnel records, and helped build workplace cultures where people do their best work. I am highly organized, dependable, and comfortable working across departments to get things done.

SKILLS

- HR Administration & Personnel Records Management
- Recruitment, Onboarding & Offboarding
- Culture Building
- Team Coordination & People Management
- Vendor & Stakeholder Communication
- Report Writing & Business Documentation
- Budget Management
- Project Planning & Operational Support

WORK HISTORY

Founder & Chief Operations Officer | *Blue Culture by Folashade, FCT Abuja*
July 2018 – Present

- Recruited and onboarded all staff members, growing the team to 5 people while managing performance and day-to-day accountability.
- Ran weekly team check-ins and created a training schedule that cut onboarding time by 30% and reduced repeat errors on key tasks.
- Set up internal processes for attendance, task tracking, and staff evaluations — all built from scratch with no existing systems in place.
- Handled all supplier relationships and renegotiated contracts, bringing procurement costs down by 15%.
- Managed the business budget, tracked expenses, and produced monthly financial reports to keep operations on target.
- Maintained a customer satisfaction rate of over 90% by personally handling complaints and training staff on client communication.

Project Manager | *Ahem Conference, Federal Capital Territory, Abuja*
January 2022 – August 2022

- Managed a team of contractors and vendors from start to finish, hitting every project deadline during the 8-month engagement.
- Wrote and managed contracts with third-party vendors, tracking performance and flagging issues early to keep projects on track.
- Built project budgets and execution plans and made sure the team stuck to them without cutting corners on quality or safety.
- Ran regular check-in meetings with all stakeholders to keep communication clear and catch problems before they escalated.
- Reviewed all final deliverables for quality and compliance before they were submitted to clients, keeping revision requests low.

Administrative Assistant *Cool FM 96.9, Federal Capital Territory, Abuja*

March 2019 – April 2020

- Managed HR records for a team of 50+ staff — processing new hires, transfers, terminations, and salary changes in the personnel database.
- Kept employee files and HR spreadsheets accurate and up to date, making it easy to pull reports on attendance, performance, and staffing.
- Drafted letters, memos, and internal HR documents for the CEO and department heads, keeping all communications professional and confidential.
- Prepared onboarding documents for new employees and handled the logistics of their first week — paperwork, schedules, and introductions.
- Managed a busy multi-line phone system, handled incoming and outgoing correspondence, and kept the HR office running day to day.

Volunteer – People & Community Coordinator | *The Blessing Bassey Foundation (NGO), FCT Abuja*

November 2019 – Present

- Coordinated a volunteer team of 20+ people, managing schedules, communication, and task assignments for events and community programmes.
- Organised welfare and educational activities for children and teenagers, including visits to Internally Displaced Persons camps.
- Helped prepare programme materials and made sure volunteers had what they needed to show up informed and ready.

Production Assistant Intern | *Fedmas Films, FCT, Abuja*

June 2017 – August 2017

- Prepared and circulated production schedules, shot lists, and key documents for crew ahead of each filming day.
- Kept communication clear between team members on set and made sure all equipment and assets were organised before each shoot.

Graphic Design Assistant | *Arise News, Federal Capital Territory, Abuja*

January 2023 – July 2023

- Worked closely with content and marketing teams to make sure all design work met brand standards zero compliance issues across 15+ projects.
- Took part in structured design review sessions, which helped reduce revision rounds and improved turnaround time.
- Handled final checks on all deliverables — images, fonts, and layout — before they went to broadcast or went live online.
